

WE'RE KEEPING DBG CLEAN

The Downtown Boxing Gym worked closely with our families to understand their needs, fears, and concerns. We consulted with various health experts and national companies to learn from the individuals who put their safety plans in place. We are following CDC guidelines, and have worked with city and state governments to create a safe environment for students to learn and be active, and for our staff and volunteers to be on the same page.

WHAT WE'VE DONE SO FAR

We have added:

- New seat covers in our vans that can be bleached daily.
- Dividers between the rows in our vans.
- An outdoor learning area to be used whenever possible.
- Hand sanitation stations through the building and outdoors.

We have cleaned and disinfected:

- All of our equipment and work stations.
- All the common areas inside the gym.

We have also:

- Instituted a daily disinfectant plan for the vehicles.
- Rearranged all of our classrooms to ensure social distance.
- Replaced as many high-touch area items with touchless options.
- Trained all staff on health and safety related to COVID-19.
- Suspended all outside visitors for now.

ARRIVAL

Drivers will:

- Be screened before entering the DBG vehicle.
- Clean and disinfect their vehicle and equipment in between routes.
- Clean and disinfect their vehicle at the start and at the end of their shifts.
- Take everyone's temperature before boarding.
- Enforce that everyone wears a mask.

Only one location is designated for everyone to enter and be tested.

- Everyone will be asked questions about their health.
- Everyone will have their temperature taken.
- Students over 100.4 F degrees will be walked to the Get Well tent.
- A parent will be notified for pick up.
- If anyone leaves the gym, they are required to pass screening to re-enter.

HEALTH AND SAFETY PRECAUTIONS

- Everyone will wear a face mask at all times, except when eating or drinking.
- All equipment and work stations will be cleaned and disinfected before the day starts.
- An hourly, daily, and weekly cleaning protocol will be instituted.
- Only two students allowed in the bathroom at one time.

- Locker usage will be disallowed.
- Sick students will be escorted to the Get Well tent. A parent will be notified for pickup.
- Construction workers will be screened and confined to the construction zones.
- Deliveries have a designated drop-off area.
- Only screened staff are allowed to bring the deliveries inside the gym.

CLASSWORK

- Classrooms will be cleaned daily before arrival by a professional cleaning crew.
- We are limiting how many students are inside a classroom.
- Students are not allowed to move chairs or share tools or equipment.
- Activities will be moved outside whenever possible.

ATHLETICS

- Students are not allowed to share any sporting equipment.
- All equipment will be cleaned in between student cohorts.
- There will be an hourly, daily, and weekly cleaning protocol.
- Activities will be moved outside whenever possible.
- We are strictly following USA Boxing's guidance on training and competition.
- We are following the American Camp Association and Aspen Institute's Project Play for sport sampling guidelines.

FOOD SERVICE AND PREP

- Food service and prep will follow FDA guidance.
- The kitchen lead is the only person allowed to handle food prep, serving, and cleaning.
- Students are NOT allowed to serve themselves or share their food, water bottles, or utensils.
- Students are required to wash their hands before and after every meal.
- Meals are only served in the zone where each cohort will spend their time throughout the day.

PICKUP AND DROP-OFF

- Parents will receive a schedule for pickup and drop-offs.
- There is now one place designated for exits.
